AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 15, 2020 and January 13, 2021. For AmeriCorps Seniors projects where 2020 service location data is unavailable, service locations associated with the project from the previous year are represented.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 15, 2020 and January 13, 2021. For AmeriCorps Seniors projects where 2020 service location data is unavailable, service locations associated with the project from the previous year are represented.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 15, 2020 and January 13, 2021. For AmeriCorps Seniors projects where 2020 service location data is unavailable, service locations associated with the project from the previous year are represented.
